## **2014 Membership Information**

We are now accepting membership applications for the 2014 season. The regular season will open on March 15<sup>th</sup> and close on November 15<sup>th</sup>. We have landscaped, widened the boat slip and dredged around the dock. Now we need rain to fill the lake.

For the 2014 ski season, individual competitive memberships will cost \$2500 (Unlimited Membership) and \$1600 (Limited Membership). The Unlimited Membership does not have a set limit but was devised with the expectation that no member exceed 90 sets in a season. The Limited Membership is designed for members who ski fewer than 50 sets in a season. Family memberships are available to the families of competitive members and are intended for younger (i.e. less than 17 years old) or less intensive users (i.e. less than 25 sets/year). See accompanying membership agreement for details on family packages. Family members have the same privileges as individual members regarding normal rotations and boat usage.

Members will supply their own fuel. However, we welcome members to have fuel delivered and stored in the fuel tank at the lake, and would gladly assist in arranging deliveries. Should any members choose to store fuel on Triple J property, they assume all liability and responsibility regarding hazard, safekeeping, and sharing of fuel. Regardless, in order to avoid hazard and reduce clutter, we ask all members remove their gas cans from the dock upon departure from the lake. If left at the lake, gas cans should be put on the fuel tank trailer when not in use.

Guest fees are \$30 per set. As in the past, a guest's host is responsible for providing fuel for his/her sets. Furthermore, as in the past, each member is allowed a total of 24 guest sets per year, with any individual guest limited to a total of 6 sets throughout the season

A usage log will continue to be maintained at the dock this year. We expect our members to record their sets, and only ask that our members work collectively to ensure compliance with this policy.

In the past, the "Honor System" has been an effective measure in ensuring compliance with all policies and guidelines. We thank all members for their past and continued cooperation.

We are asking our existing members to confirm their membership renewal for the 2014 season by completing the accompanying documents: 1) the 2014 Club Membership Application, and 2) the Release Agreement. Upon completion, please return them to Triple J Ski Ranch, Ltd. at the address shown below. The full balance for membership, payable to Triple J Ski Ranch, Ltd., is due by March 15, 2014.

Here's to another great year with each of you at Triple J! Don't hesitate to contact us with questions.

Sincerely yours,

"The Management"
